About Advantage One

Advantage One is a boutique integrated business services firm. We act as our clients 'Financial Advisory Coach'. We have worked with hundreds of businesses and private clients as Financial Advisors and Accountants in Adelaide, tailoring financial, business, and individual solutions, to help our clients reach optimal financial performance. Much like a sporting coach, at Advantage One we provide clients with tailor-made financial and accounting solutions to improve their game plans, so they can reach peak financial performance. **ONE Team, ONE Focus, Your Advantage.**

We believe in: Happy team = happy life. Creating a happy place to work that has a positive 'can do attitude' works for all.

Strengths and beliefs we look for include: authenticity, client passion, energiser; a 'doer', growth mindset, taking ownership and responsibility and synergy.

What to expect?

Finding the right job and people is a two way thing. It's as much about you deciding if you like the look of us, as it is about us getting clear on whether you're just what we need.

If you like a ONE team approach and our beliefs, then please apply. We only need a few details about yourself – remember to do so in a way that stands out, and is a bit different to the stock standard cover letter and CV. Keep it simple and be yourself. The application is a reflection on yourself.

Benefits and perks

Working from a high grade modern office located in the CBD with a leading cafe in the building, plus easy access to public transport and parking. We have a work from home policy and would encourage you to develop your own client base. Connected to a progressive Melbourne Wealth Manager, we have ambitious growth plans.

The right candidate will have opportunities for career progression and ownership opportunities.

About the role, plus some required attributes you will have include:

1. A solid foundation of technical accounting and compliance knowledge.
2. An engaging personality enabling the ability to connect with clients and develop relationships.
3. Prior experience with working with SME/family private clients is paramount.
4. Business advisory services encompassing business improvement/valuation and bottom line reporting.
5. Superior IT knowledge in cloud applications like Xero; NowInfinity and Class would be an advantage.
6. CA/CPA qualified or similar post graduate qualifications.

If this role and firm sounds exciting to you then please go the next step and apply. Remember, keep it simple and relevant.

Please apply by emailing tonym@advantageone.com.au, or call Tony or Don to find out more on 08 8203 4801. Applications close 7th October 2018.
